JUICE EXTRACTOR

Juice Fit

The grating disc and mesh filter are designed to extract the fruit juices gently, guaranteeing maximum performance also with leafy vegetables.

Wash & Go!

Dishwashing is quick and easy, as the basket with magnetic catch and parts in contact with food are simple to remove and replace, with no tool required.

Work better

The new material and the design of the motor's cover allow for an incredible quietness, guaranteeing a pleasant environment for both customers and operators.
